

Linscott Charter School Dance Guidelines

Thank you for volunteering to organize/supervise a dance for our school. For safety and security reasons, we ask that you read and sign these guidelines at the time the dance is scheduled.

*Dances are open to Linscott Charter School 6th, 7th, and 8th graders **ONLY! (The exception is the graduation dance, which is 7th and 8th grade only.)**

*Guests from other schools, older/younger siblings of Linscott students, former Linscott students, etc. MAY NOT ATTEND. Parent/Guardian chaperones are expected to make other childcare arrangements if there are younger children that need care.

*Eight (8) parent/guardian chaperones are required at the dance while students are present: 2 at the entry door, 2 at the snack cart, 1 at each exit (if there are other exits besides the entry door), 1 to supervise around the bathroom area, 2 to circulate on the dance floor.

*All parent/guardian chaperones must be fingerprint and TB cleared.

*Each Linscott student attending must present a completed permission slip along with payment when entering the dance.

*Students are to remain INSIDE the building where the dance is being held at all times once they have been admitted.

*Students not following the dance expectations will have a parent called and will be asked to leave the dance.

I understand and agree to follow these guidelines for the Linscott Charter School dance to be held on _____.
